

Notes from the Neighbourhood Development Plan Meeting held on Wednesday September 14th 2016 at the Dobwalls Methodist Schoolroom, commencing at 7pm.

Present: Cllr J Dunn, Cllr D Finch, Cllr M Mackie, Cllr T Kitto, Cllr H Francis, L Coles (Clerk)

There were 14 members of the public present.

There was much discussion about what a Neighbourhood Plan can deliver. There was some discussion about joining with St Keyne and St Pinnock to produce a plan.

A form was passed around for people to register their interest and provide contact details, which apart from the Parish Council and Clerk, was filled in by 9 of the members of the public present.

It was agreed that two separate meetings will be arranged, one in Dobwalls and one in Trewidland. Both will be on different days at different times to give all the parishioners an opportunity of attending at least one of the meetings.

A proper invitation to these meetings will be sent to all parishioners, the schools and local businesses.

Posters will be displayed advertising the meetings and a 'Banner' was discussed, along the lines of 'Your Village Needs You'. This would be displayed at each of the venues.
